

Can I have a special pattern made to suit a project?

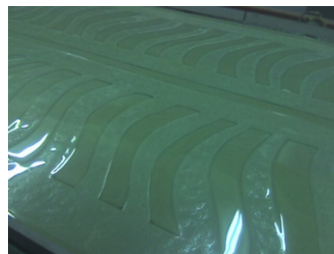

Yes!

Custom moulds can be manufactured to create an individual 'texture' or 'patten'.

KLASS has manufactured customised moulds for, partitions in Credit Union branches, corporate ID sign backgrounds and to 'individualise' panels for a national door manufacturer.

Additionally, formed images, text and graphics can be embossed into KLASS during manufacture to emphasise your company or product logo and name.

KLASS is the ideal product for corporate applications.
